

Reproduction License

The federal Copyright Act protects the reproducible handouts and clinician tools produced by HIV ReSources, Inc. HIV ReSources permits the bearer to make copies of the reproducible handouts and clinician tools subject to these **Terms of Use**:

Unrestricted Use by Licensee (Individuals- Single use by individuals and professionals. Institution/Library- Use by institutions, organizations, libraries, etc.)

1. Licensee will **not** sell or profit from sharing the reproducible handouts and clinician tools with other organizations or third parties.
2. All photocopies of handouts and clinician tools must retain the HIV ReSources name, address and copyright notice.
3. Handouts and clinician tools are for informational use and are **not** distributed for commercial purposes or monetary gain.
4. All photocopies of handouts and clinician tools must remain as published by HIV ReSources unless new research or information warrants changes. **Reproducibles may be updated provided a copy of the changes are forwarded to HIV ReSources.** Any other additions to the content, or omission of content is strictly forbidden.
5. Licensee may save one copy of the HIV ReSources Nutrition Reproducibles in electronic form.
6. Licensee may **not** place the Reproducibles onto microfilm, Web Sites, compact or DVD discs, or publish them in any publication, whether electronic or otherwise.

Any use of the reproducible handouts and clinician tools not described in this document requires prior written permission from HIV ReSources, at P.O. Box 39385, Fort Lauderdale, FL 33339-9385, or by email through the HIV ReSources Web Site <<http://www.hivresources.com>>.
